

YOU ARE INVITED TO A MEETING TO CONTRIBUTE TO THE DEVELOPMENT OF THE CANADIAN MINERALS AND METALS PLAN.

Federal, Provincial and Territorial governments are developing a plan to establish Canada as the undisputed global mining leader and ensure that mining continues to drive our country's socio-economic growth.

**Manitoba and Canada are seeking your advice and
guidance in developing this Plan.**

**We look forward to seeing you in Winnipeg. However, if
you can't make the meeting, we welcome you to submit
your comments on the Plan to**
