MANITOBA PROSPECTORS AND DEVELOPERS ASSOCIATION INC.

NEWSLETTER

Your *Manitoba Prospectors & Developers Association Inc.* (MPDA) was very active this past year with meetings held on the 1st Wednesday of every month at the Canada Inn, Polo Park, 1405 St. Matthews Avenue at 12:00 p.m. All are welcome to attend the luncheons.

Gold panning excursions were set up at the Forks during *Mining Week* at the beginning of May and thousands attended. Don Anderson, Jim Brown and Marjorie Reynolds worked the display and members are encouraged to participate as the attendance is very high.
PLEASE HELP OUT NEXT YEAR!

Your MPDA members attended the many meetings for the *East Side Lake Winnipeg Round Tables* to strongly voice the concerns of the mining community in this management area. Final recommendations have been presented to the legislature.

Marjorie Reynolds continued the *Education Committee* making presentations in five schools involving 534 students from kindergarten to grade 10.

Your MPDA members attended meetings for the proposed management of the *Hayes River Heritage Park*. Members were concerned that it would have a negative impact on potential mineral exploration and development in the N.E. Superior Province.

A special luncheon was held to collaborate with the *Provincial Mining Recorders* during their annual meeting which was held in Winnipeg this year.

For information on *Blasting Courses* call MPDA President Pat Holden at 1-204-345-2100.
