

November, 2005

MANITOBA PROSPECTORS AND DEVELOPERS ASSOCIATION INC.

NEWSLETTER

Your *Manitoba Prospectors & Developers Association Inc.* (MPDA) was very active this past year with meetings held on the 1st Wednesday of every month at the Canada Inn, Polo Park, 1405 St. Matthews Avenue at 12:00 p.m.

All are welcome to attend the luncheons.

Gold panning excursions were set up at the Forks during *Mining Week*, May 25 - 29. There were over 3,000 in attendance despite poor weather conditions. Because of the high volumes, members are encouraged to help with the display next year.

The MPDA has been continually involved in the discussions and recommendations of the *Hayes River Heritage Park* and the *East Side Lake Winnipeg Round Table* forums.

Discussions and a letter was sent to *Mines Act Review Board* expressing concerns with changes to the Mines Act. Any input or concerns would be appreciated.

Your MPDA members attended meetings in regards to the *Atikaki – Woodland Caribou First Nation Heritage Site* located from Poplar River South to the Bloodvein River.

A meeting was held with representatives from *Manitoba Conservation* regarding the standardization, and delays on the issuing of work permits across the province.

The *Annual General Meeting* was held on November 2, 2005.
