# MANITOBA PROSPECTORS AND DEVELOPERS ASSOCIATION INC. NEWSLETTER

## **The Manitoba Prospectors & Developers Association Inc.**

The Manitoba Prospectors & Developers Association Inc. (MPDA) meets every 1st Wednesday of every month at Aalto's Restaurant in the Canada Inns, Polo Park, 1405 St. Mathews Ave. at noon.  
*All are welcome to attend the informative luncheons.*

Your MPDA Members were involved in current problems with the timely issuance of work permits. President Dave Busch, Jim Brown, and Mary-Anne Mihyhuk presented a letter, followed up with discussions with Mines Minister Jim Rondeau.

Gold panning excursions and displays were set up at the Forks during the 10th annual Mining Week May 22-24. A special thanks to members Jim Brown, Don Anderson and Horst Petak for helping out. Over 4,000 attended this year. Members are encouraged to participate

Member John Lee produced a map showing MPDA member's claim and permit locations in Manitoba. This map will be on display at the November convention.

MPDA members obtained a large collection of geological reports and have archived them in the University of Manitoba Library, with assistance from the Manitoba Geological Services.

Marjorie Reynolds continued heading the Education Committee making presentations in schools and judging science fairs, from kindergarten to grade 10.

The Annual General Meeting will be held on November 5/08.

Visit the MPDA at Booth #3 during the Manitoba Mining & Minerals Convention, November 20-22, 2008.
